**OBJECTIF- EXPÉRIMENTER PUIS
MAÎTRISER LE MÉLANGE DES
COULEURS**

- DÉCOUVRIR DES TECHNIQUES DIFFÉRENTES POUR MÉLANGER LES COULEURS
- SUIVRE UN PROTOCOLE EXPÉRIMENTAL
- SE CONSTRUIRE UNE CULTURE ARTISTIQUE
- RÉALISER DES COMPOSITIONS PLASTIQUES EN RÉINVESTISSANT DES TECHNIQUES ET DES PROCÉDÉS.

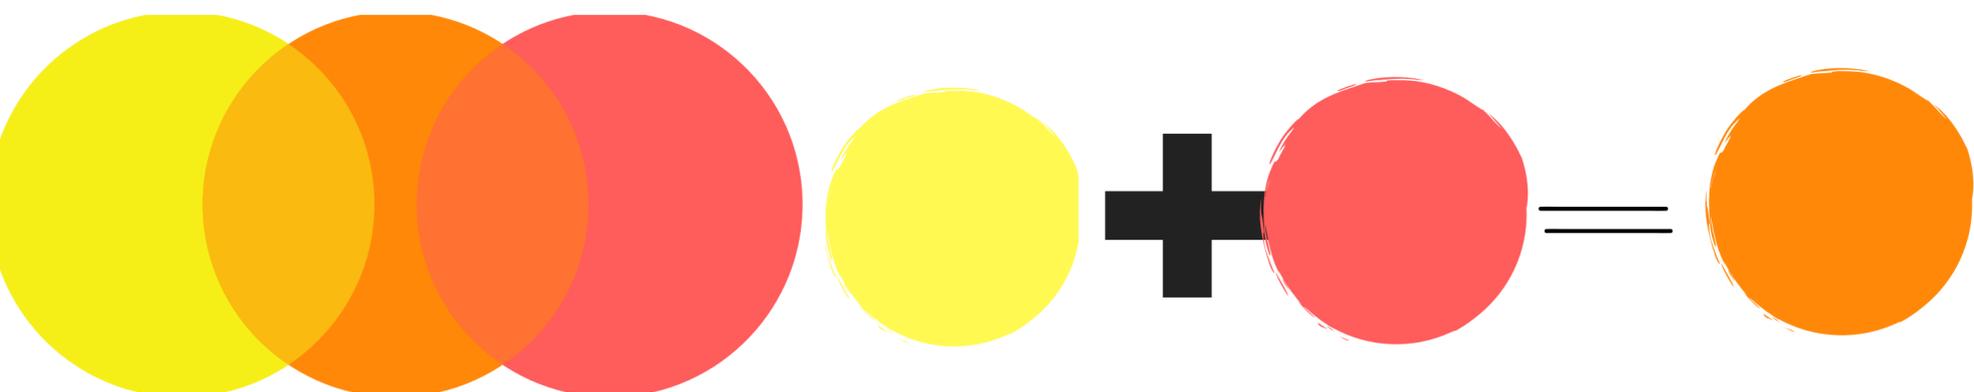

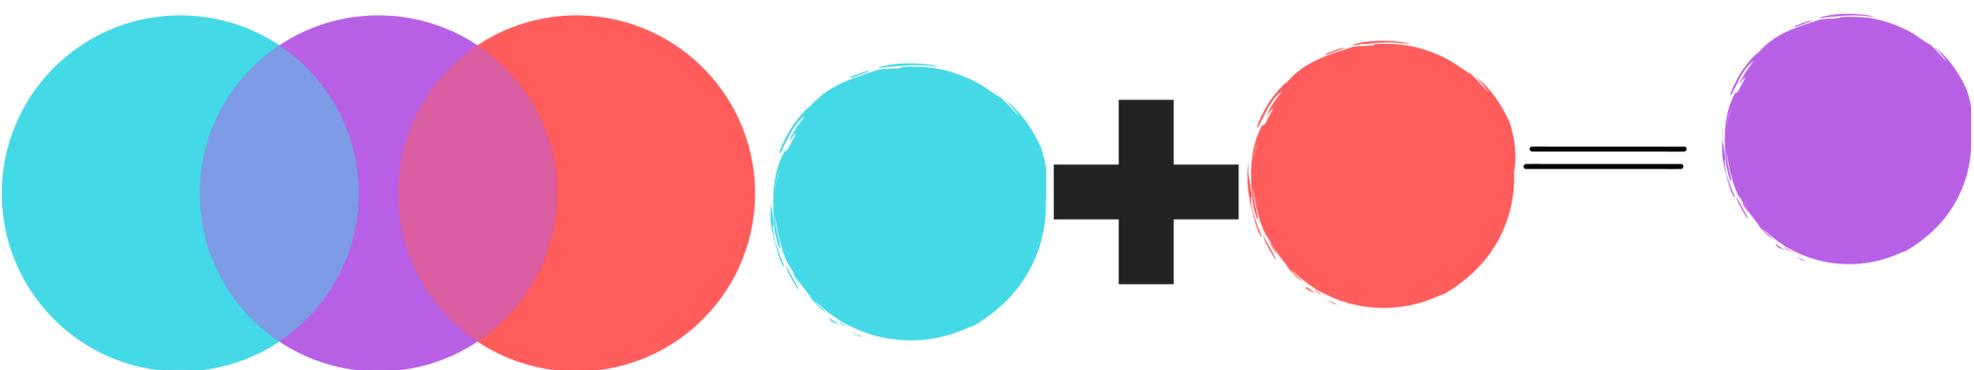

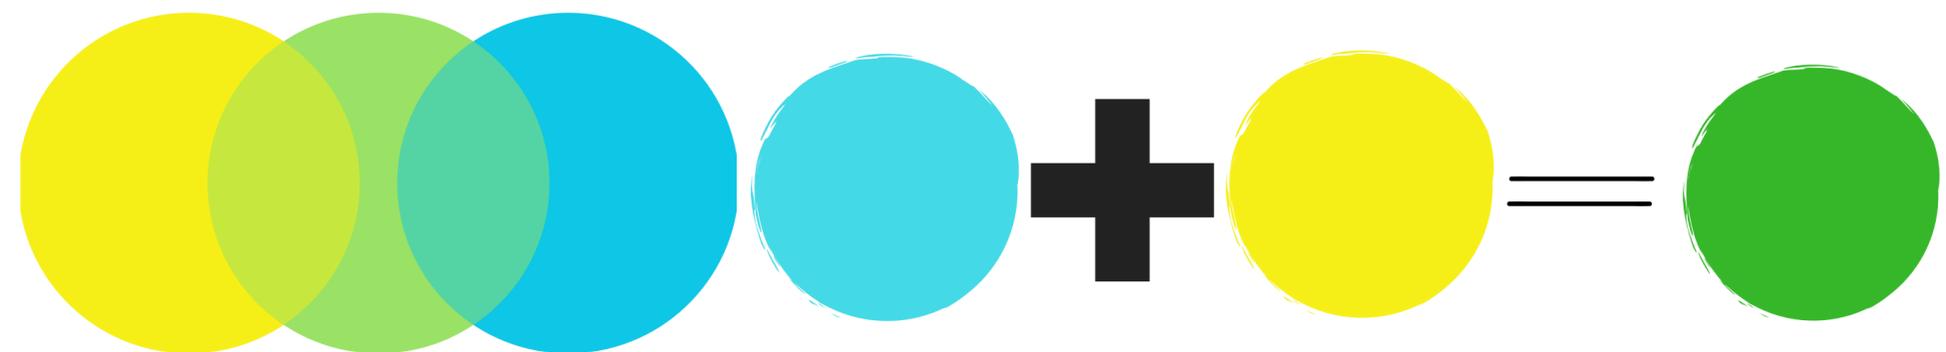

Les couleurs primaires ont la particularité de ne pas pouvoir être créées à partir d'autre mélange de couleurs.

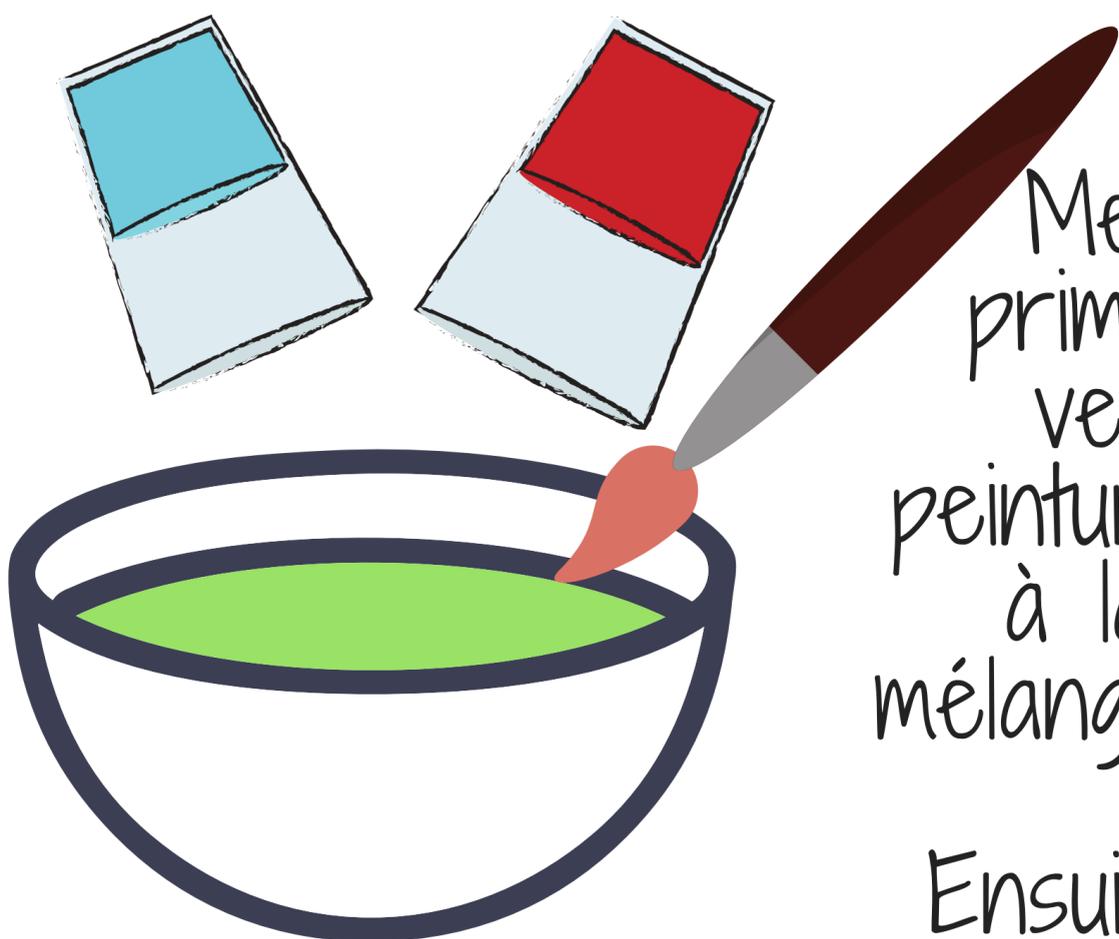

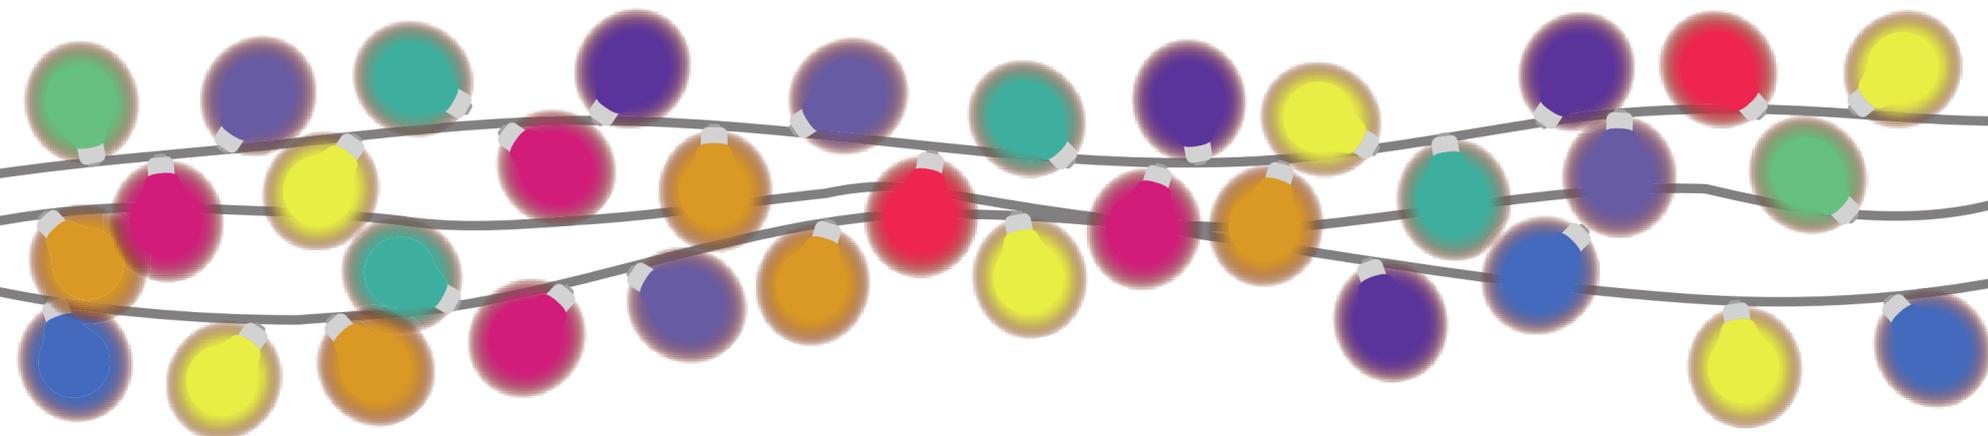

Mais elles peuvent à l'inverse proposer suivant les mélanges et le concentré de couleurs des millions de teintes différentes.

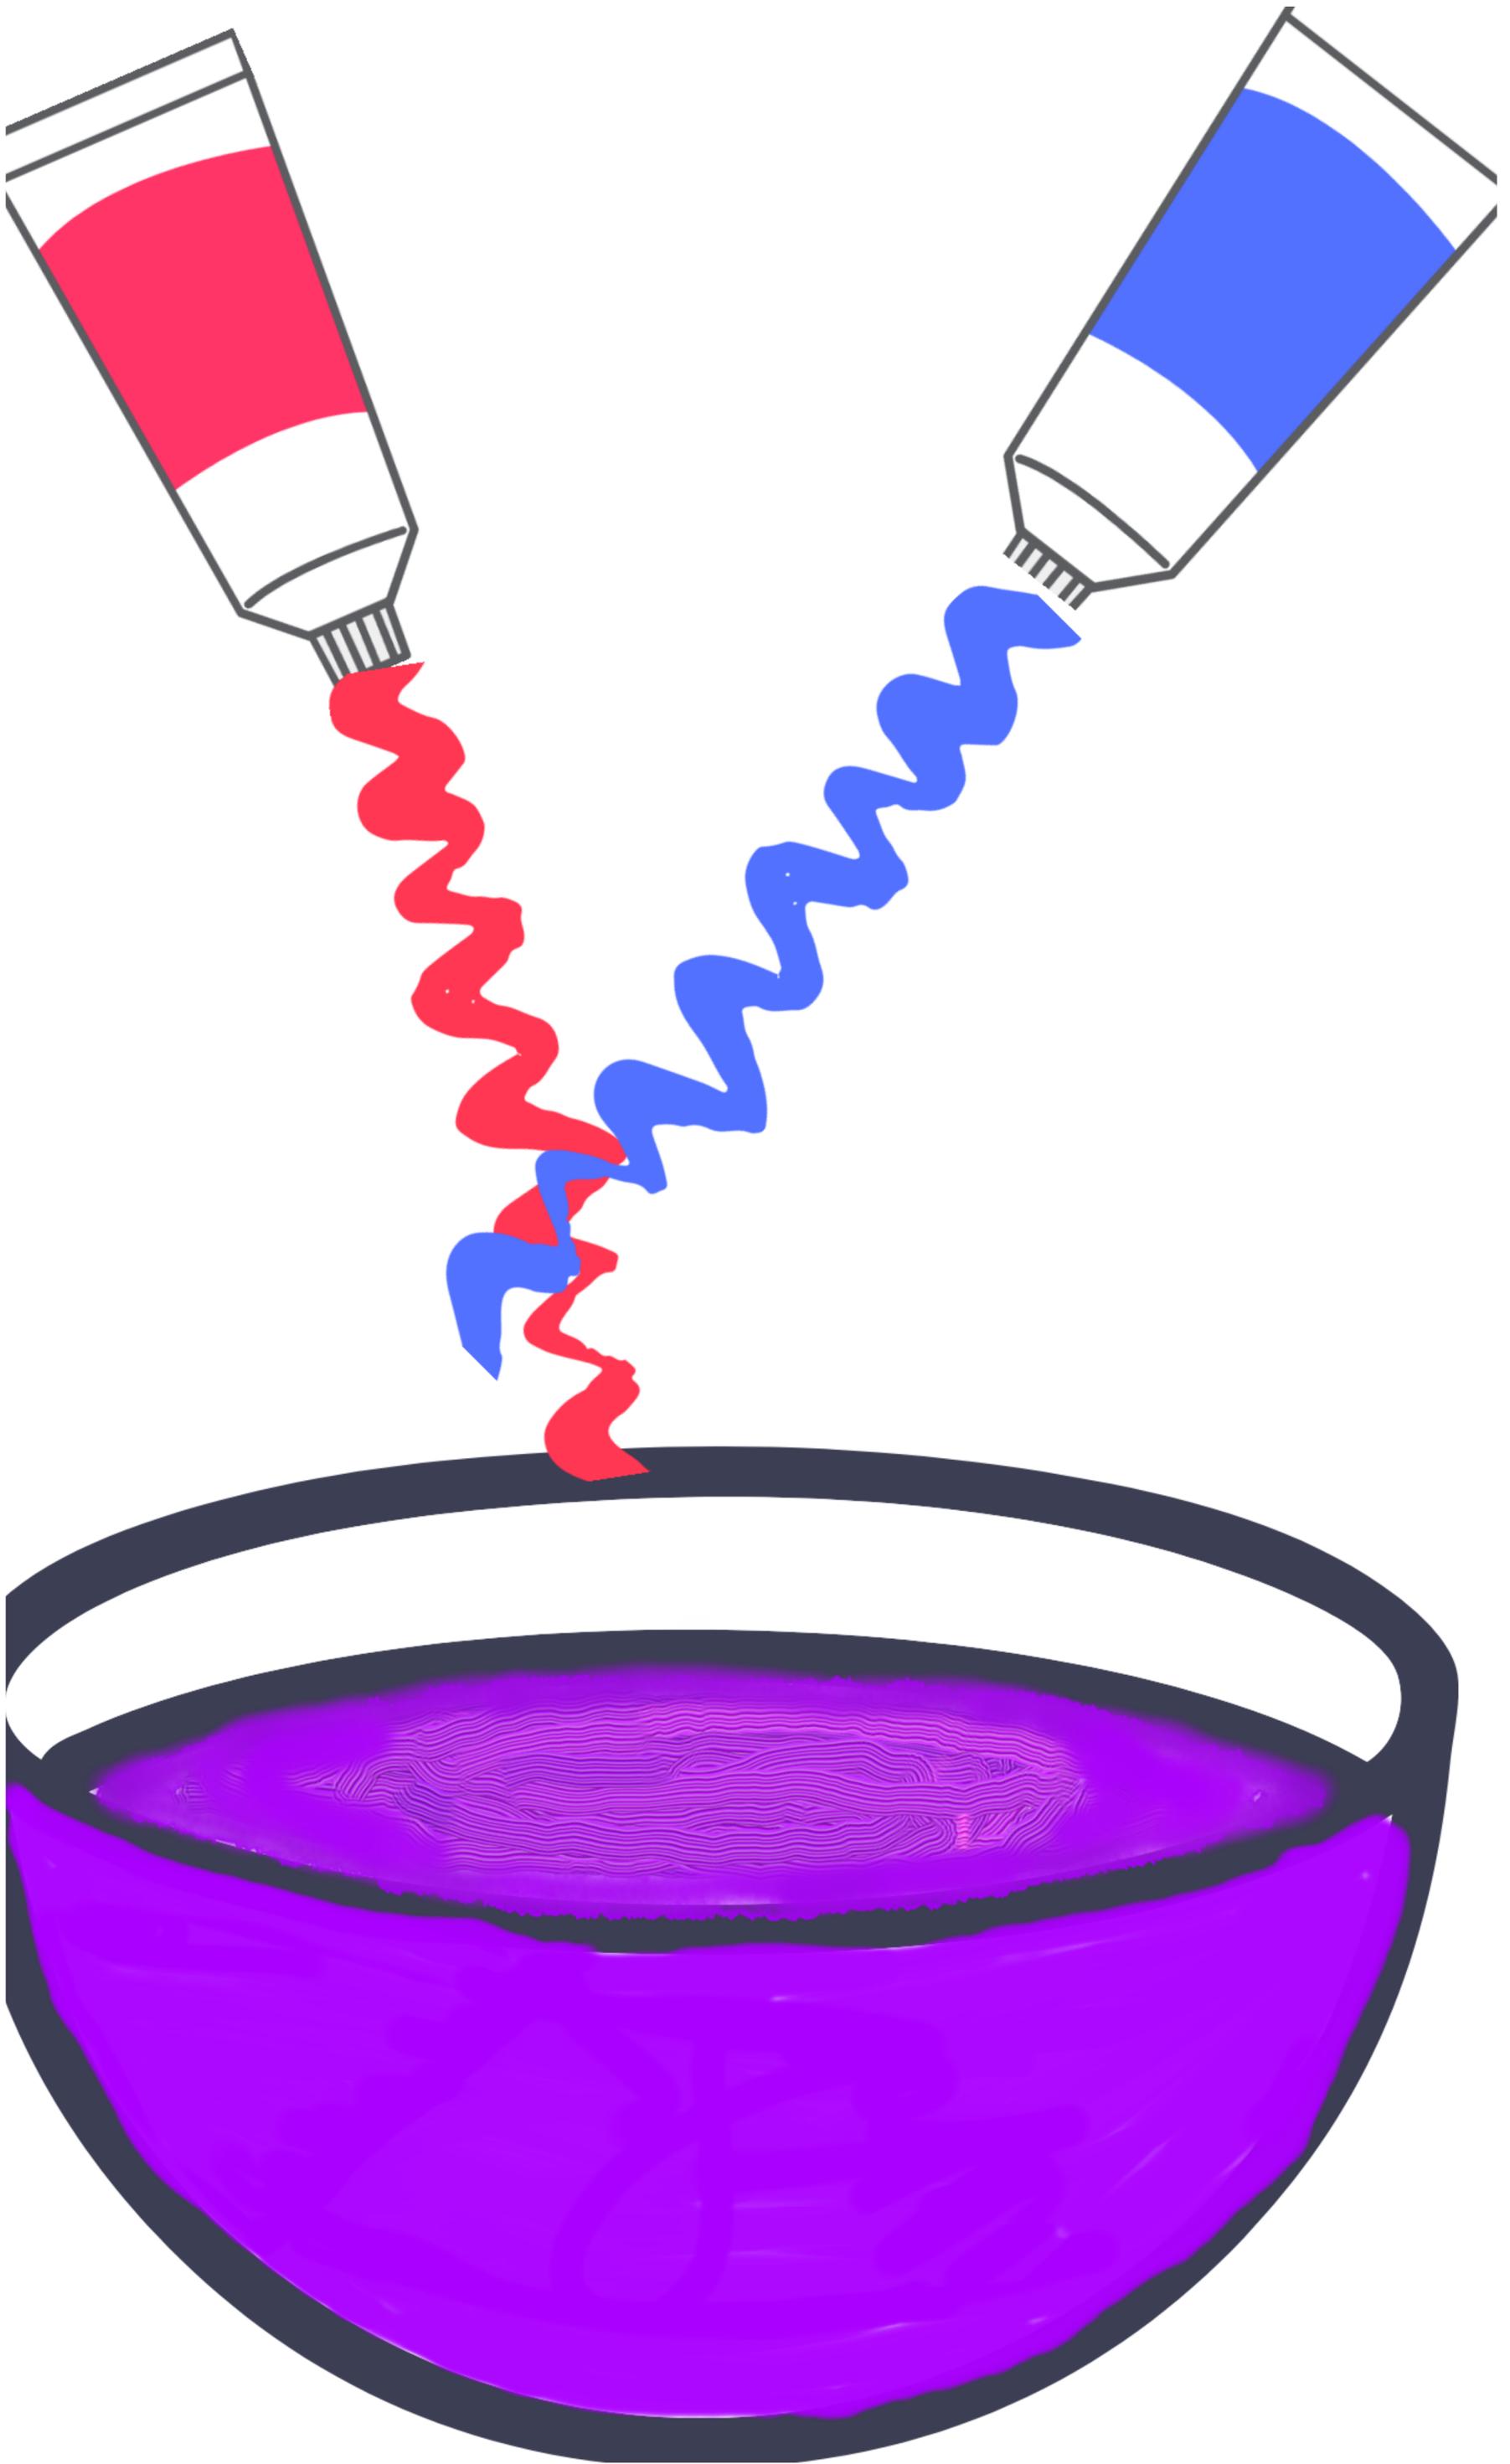

LES COULEURS PRIMAIRES SONT LE JAUNE, LE ROUGE ET LE BLEU.

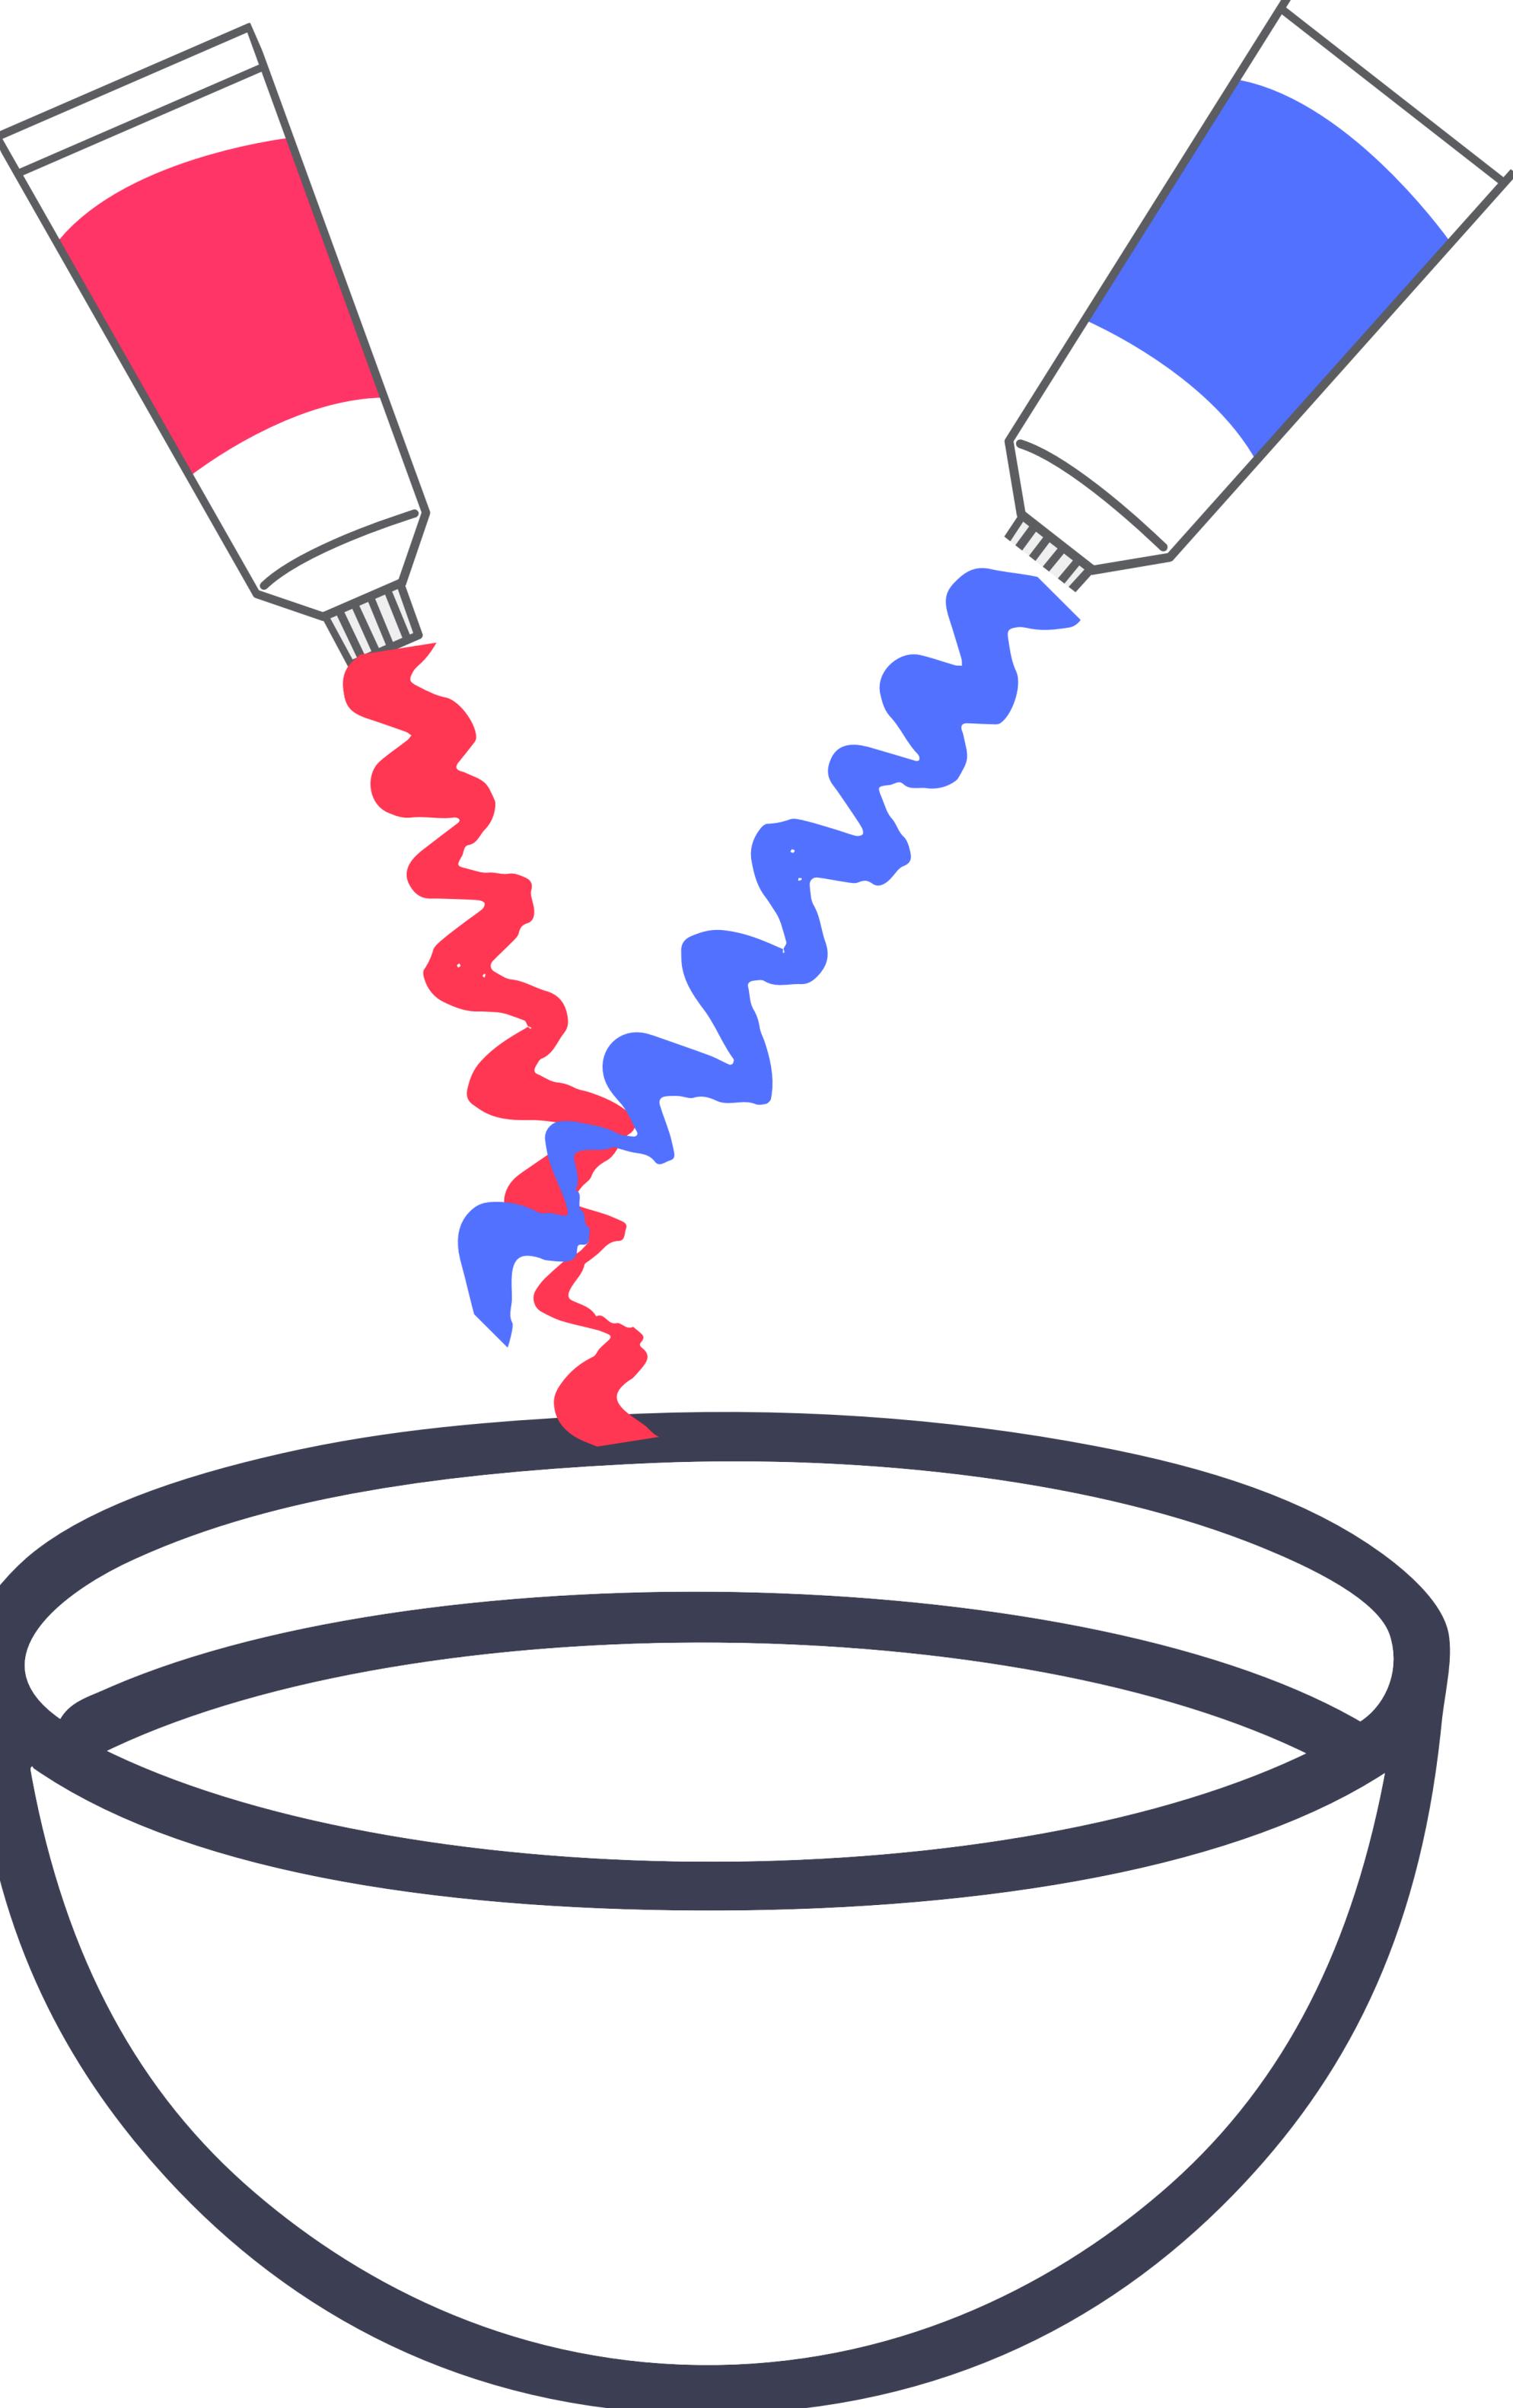

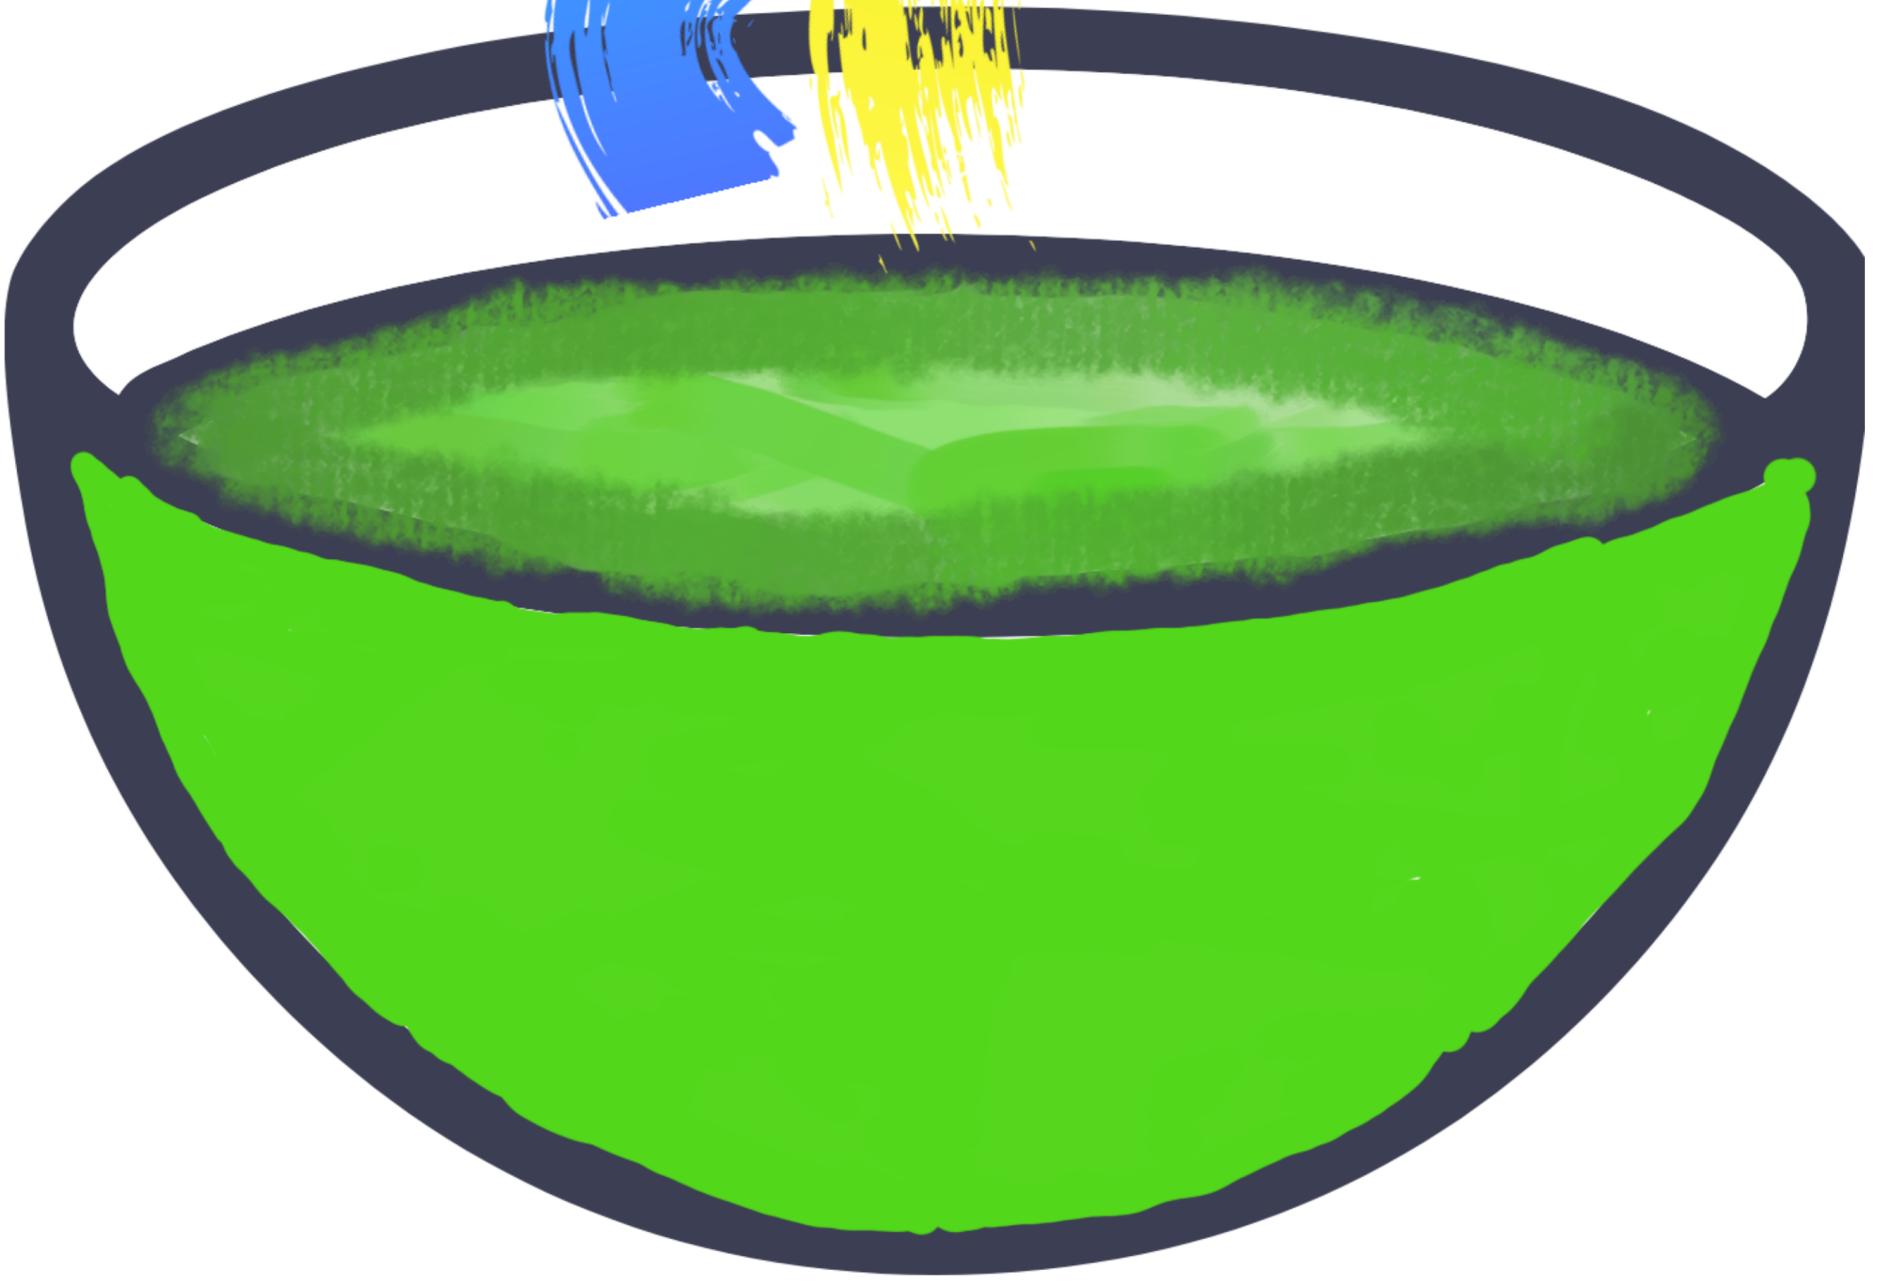

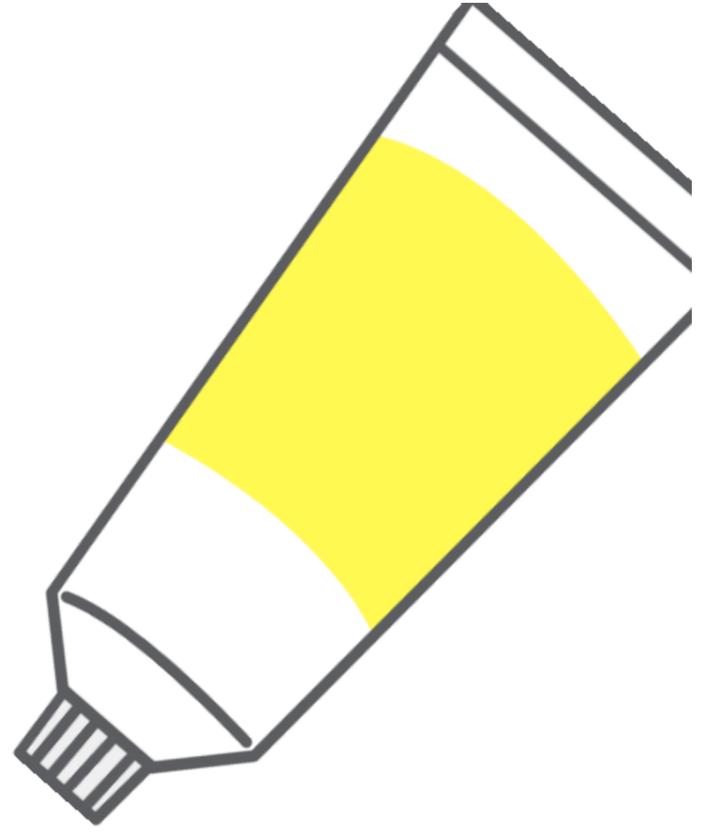

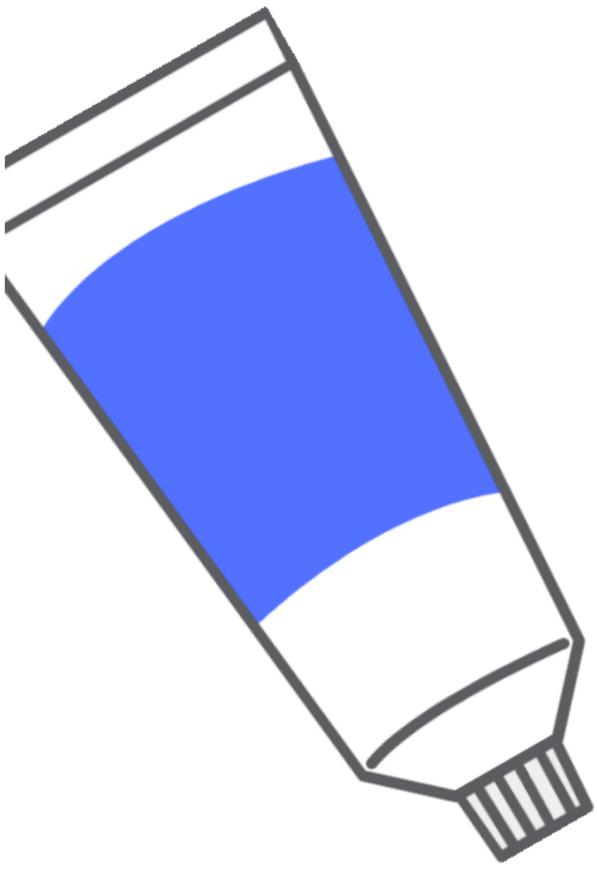

POUR MÉLANGER
les couleurs il te
faut:

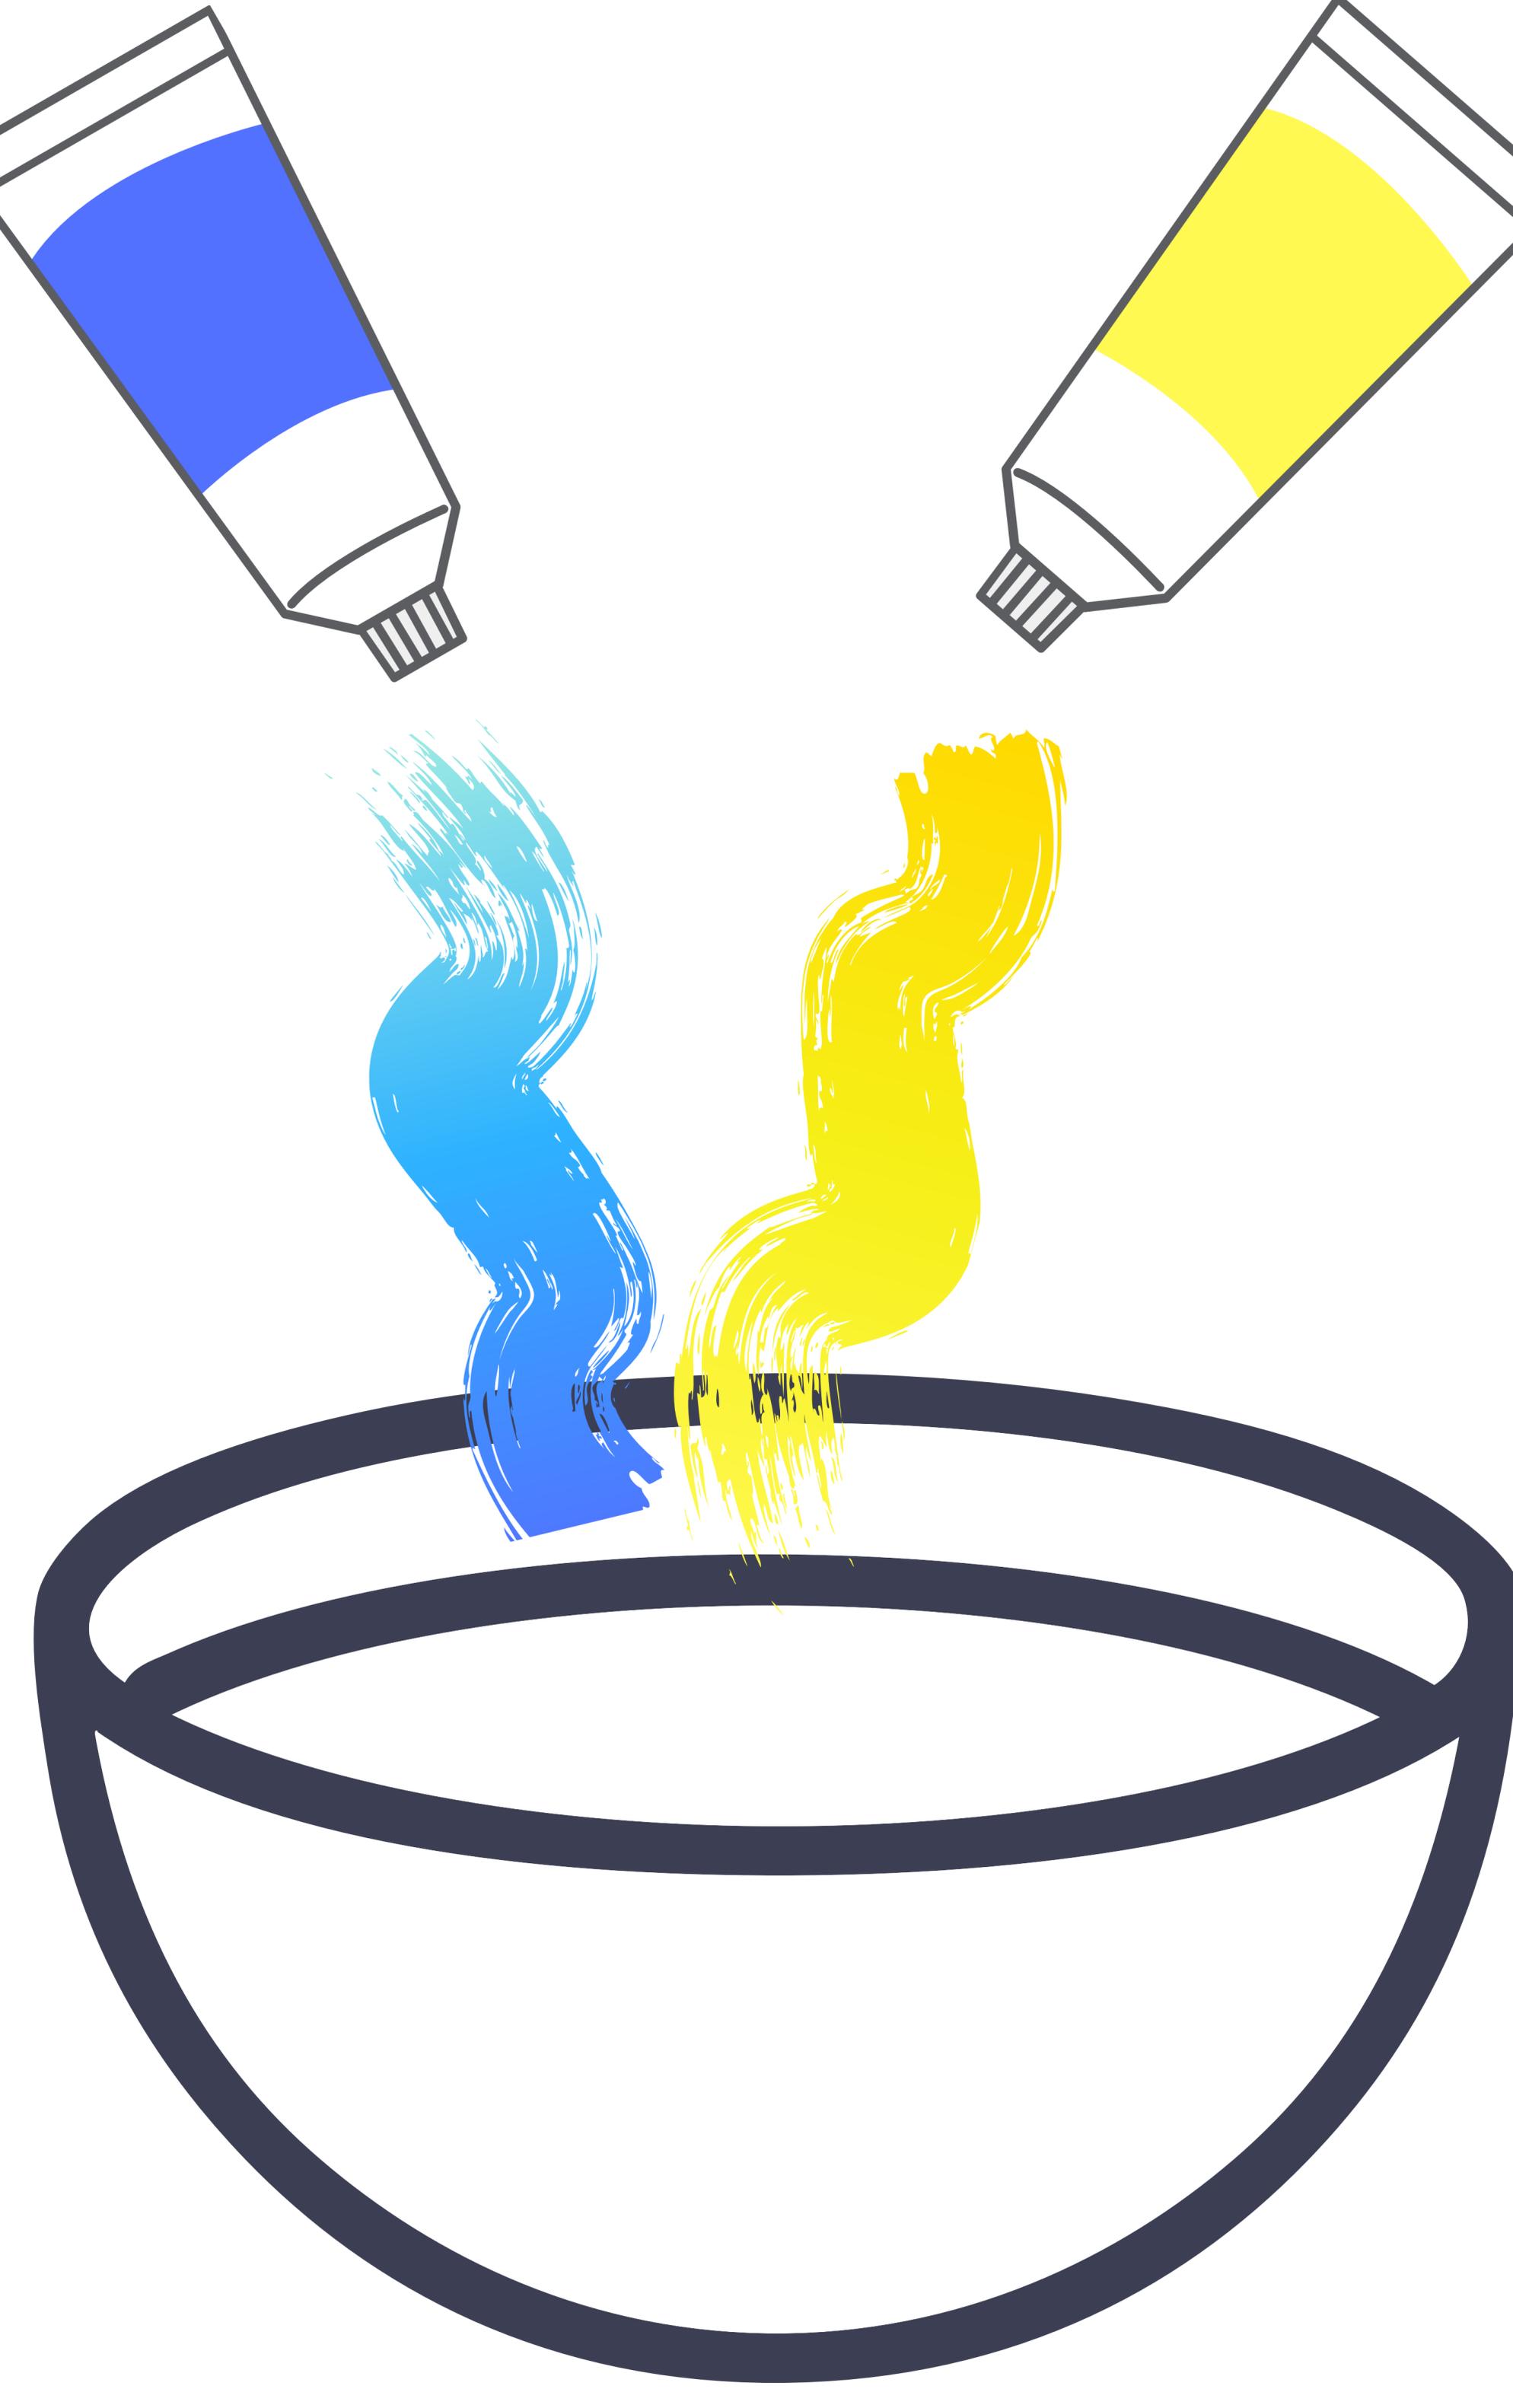

Mets une couleur
primaire dans chaque
verre et verse la
peinture dans un saladier
à l'aide d'un pinceau
mélange les couleurs dans
le saladier.
Ensuite entraîne toi sur
une feuille.

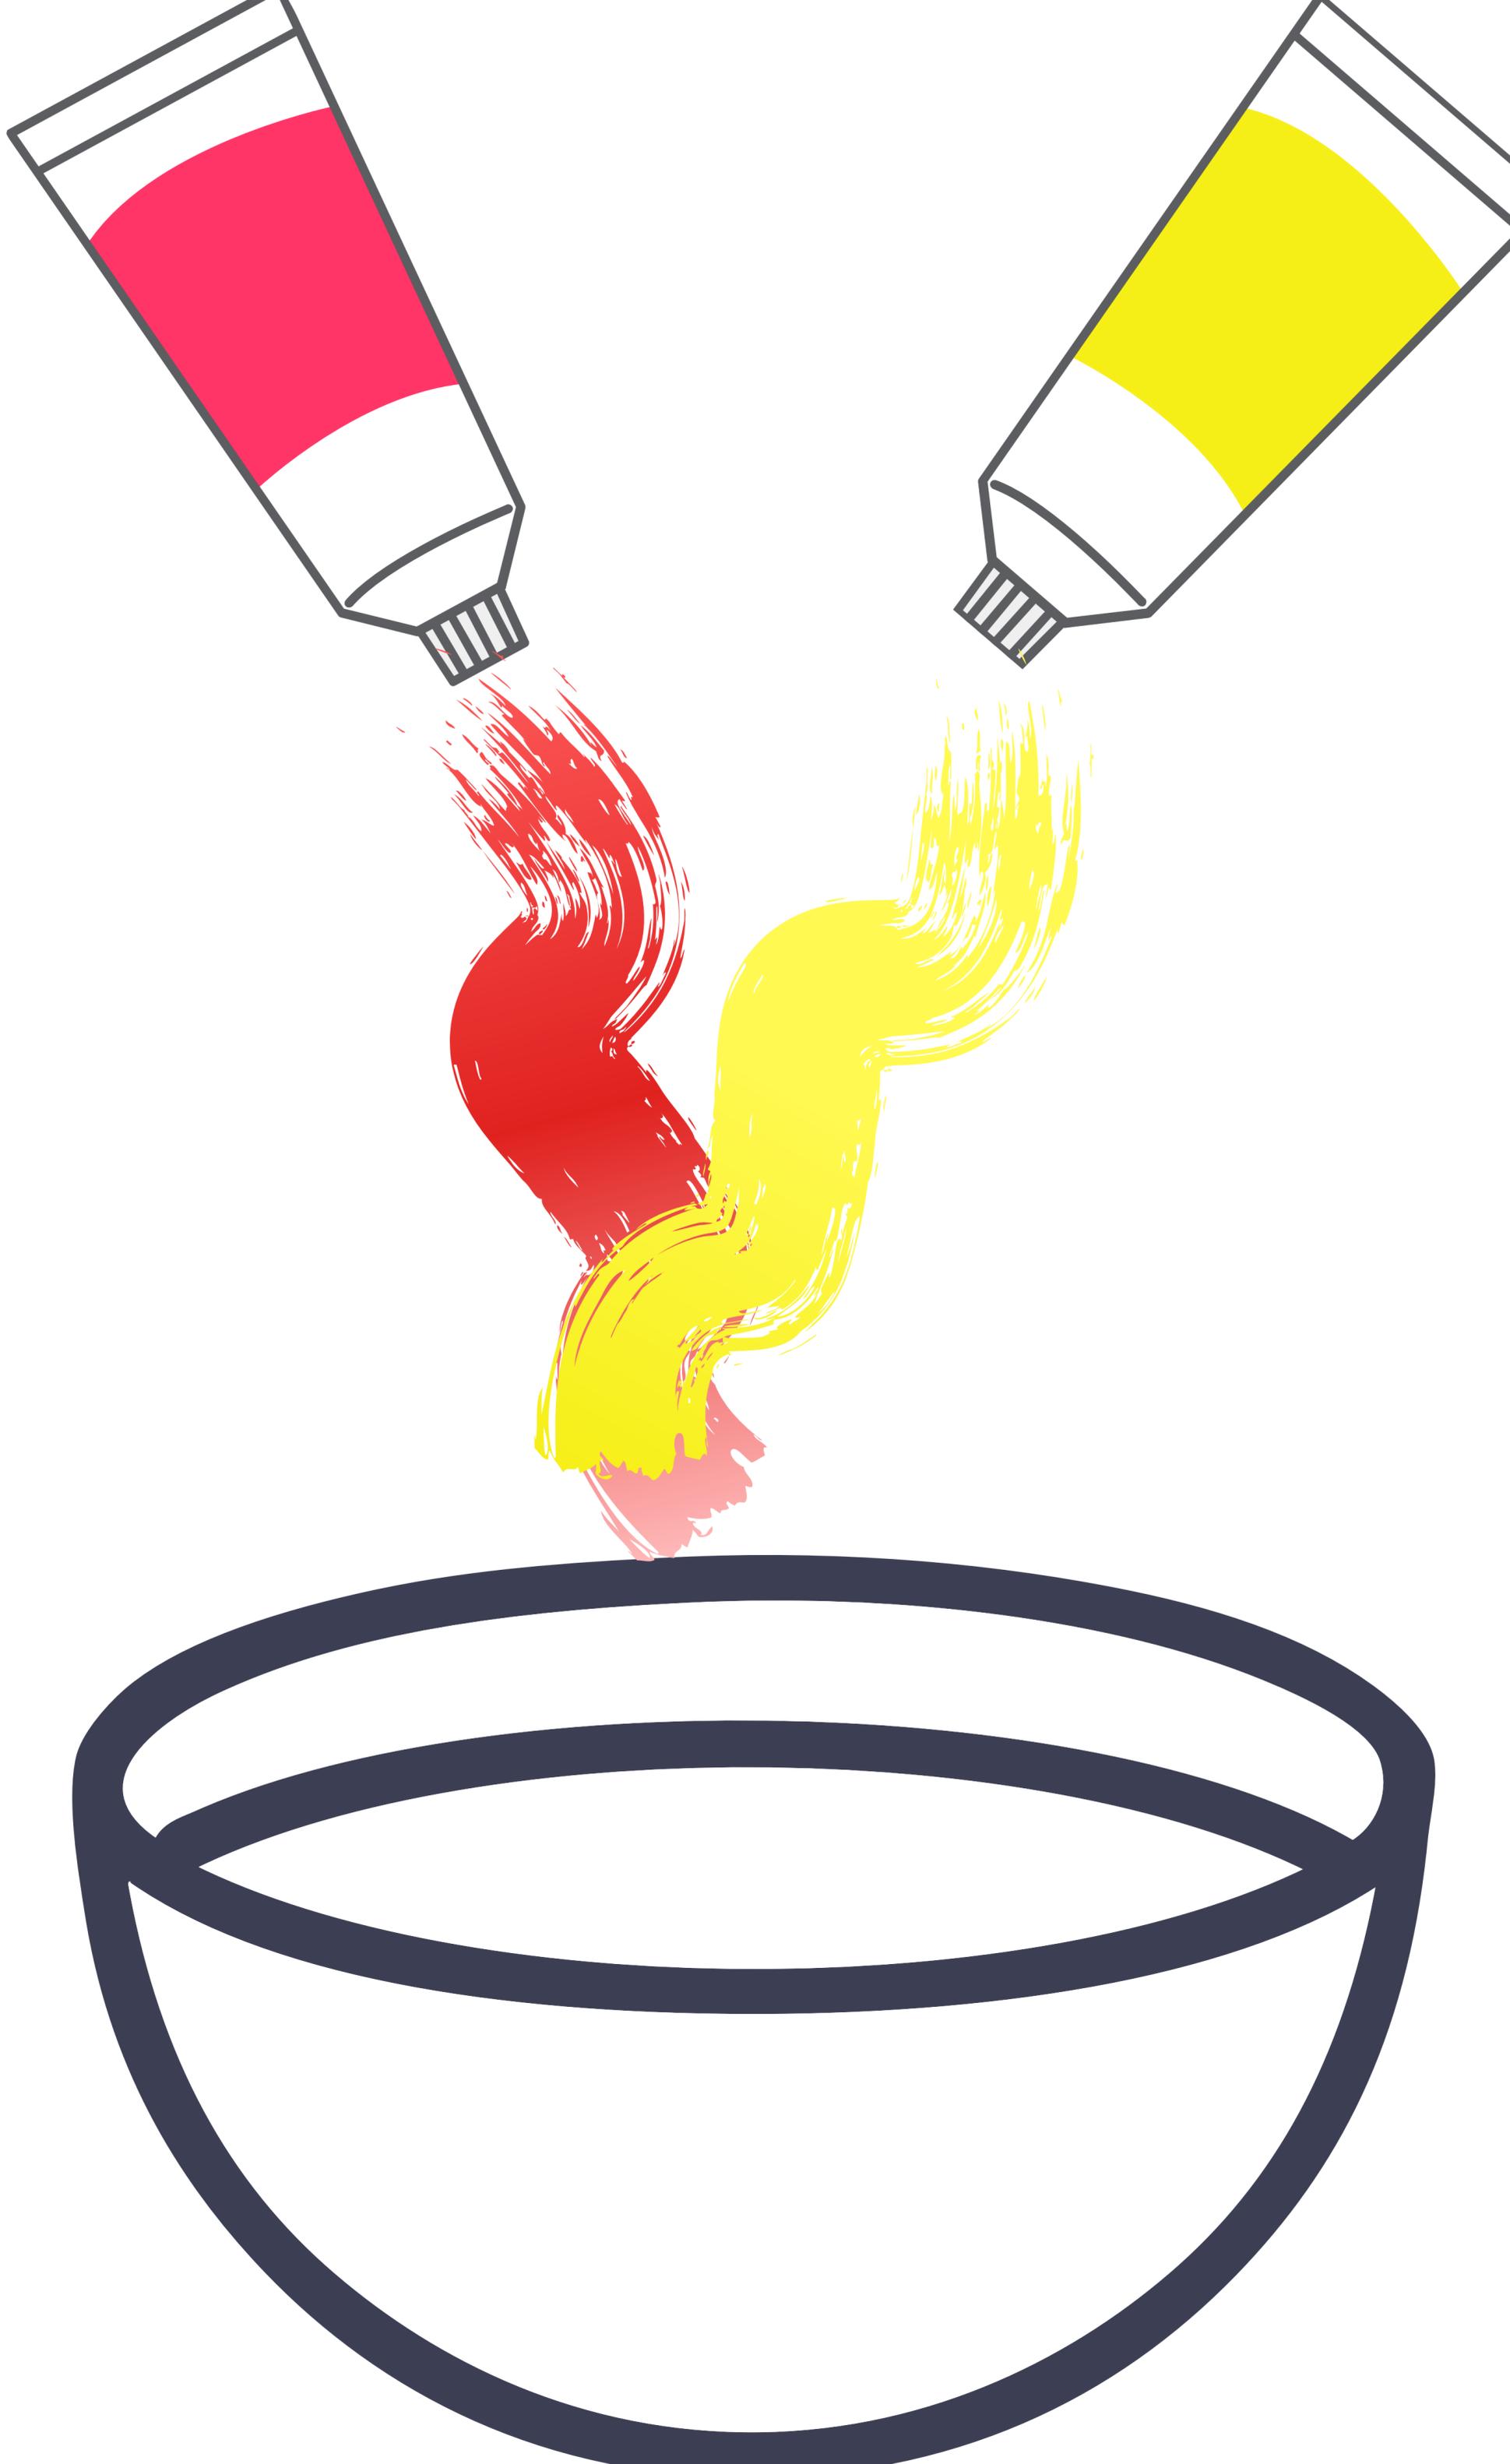

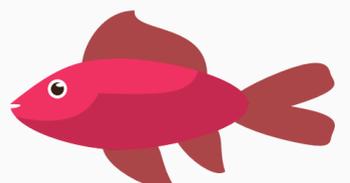

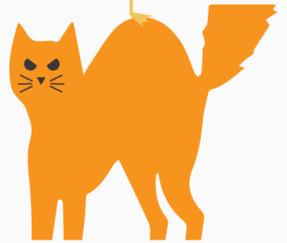

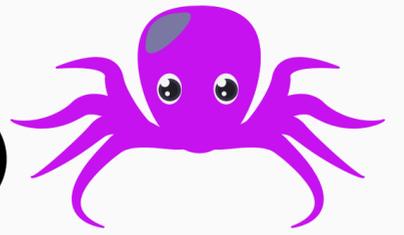

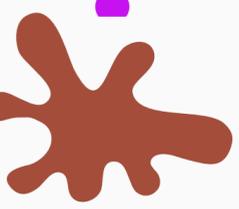

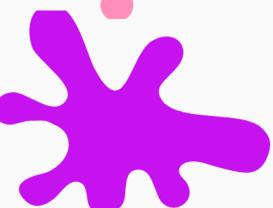

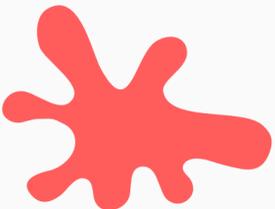

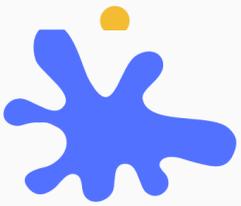

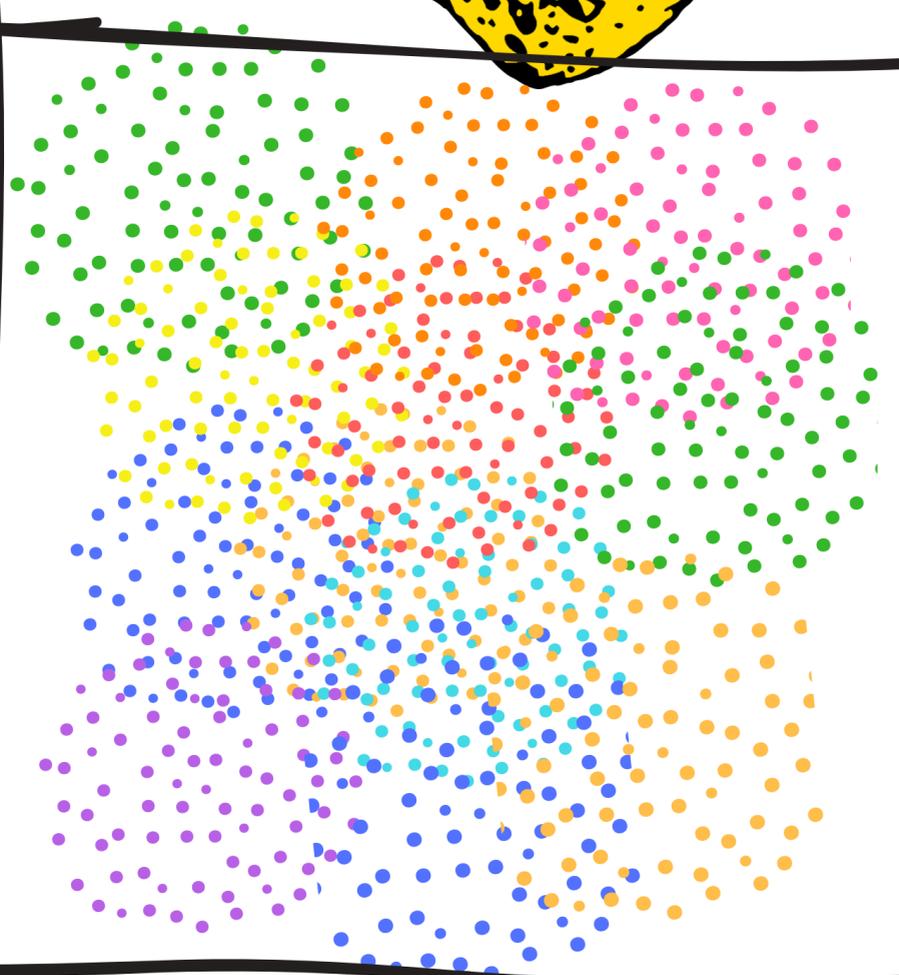

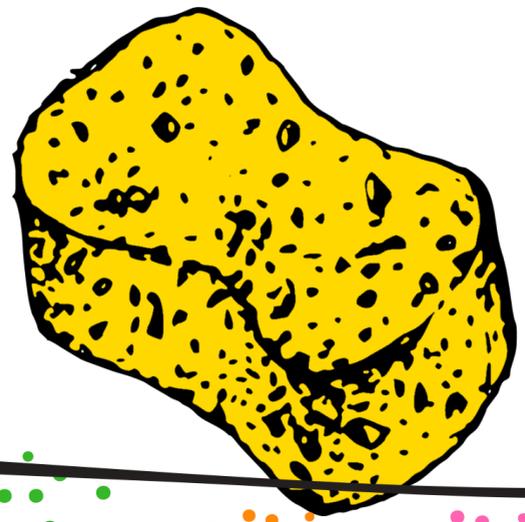

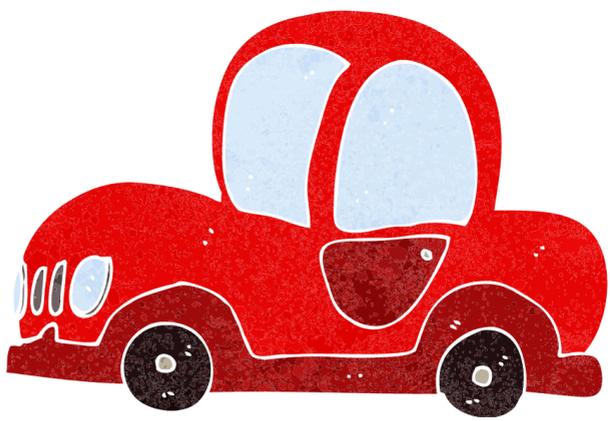

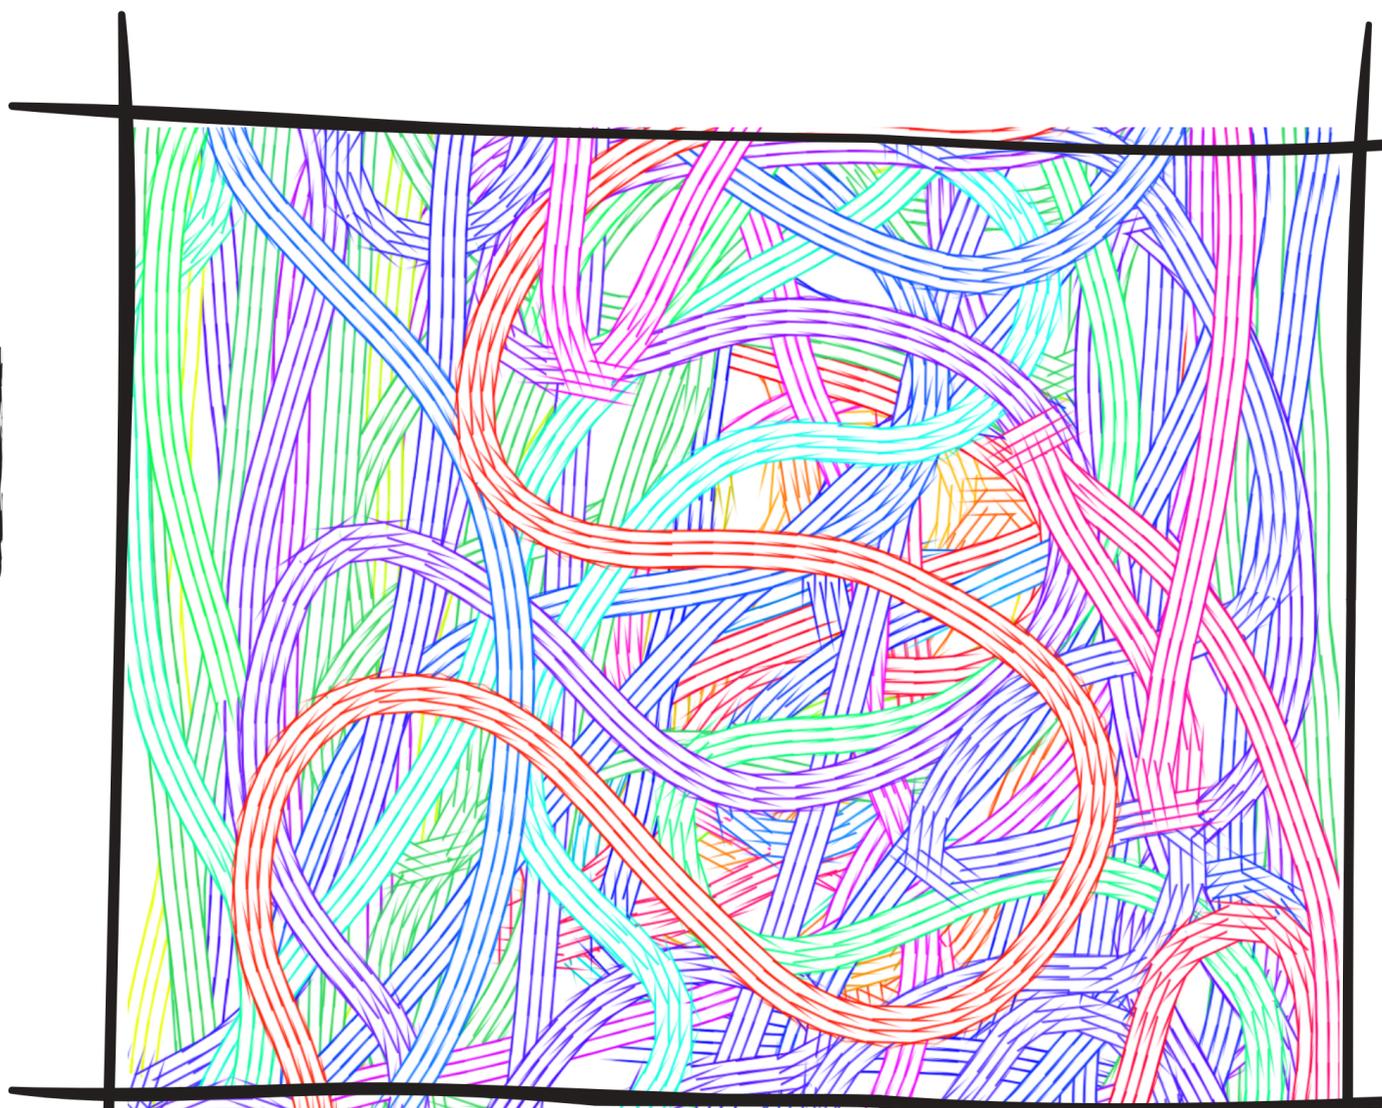

LES ANIMAUX ET LEURS COULEURS

Relie l'animal à la couleur qui lui correspond, les animaux sont des être vivant.

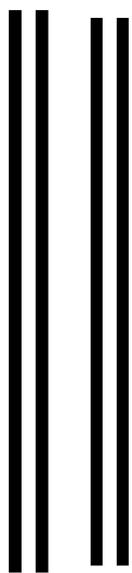

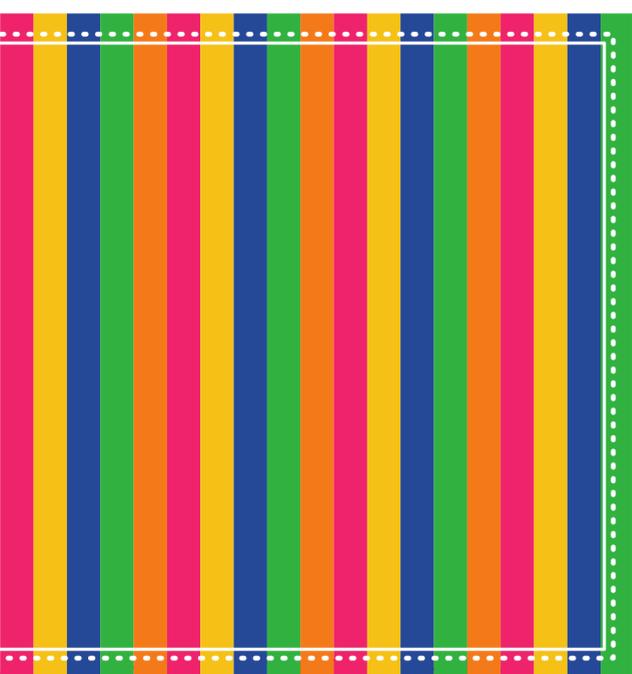

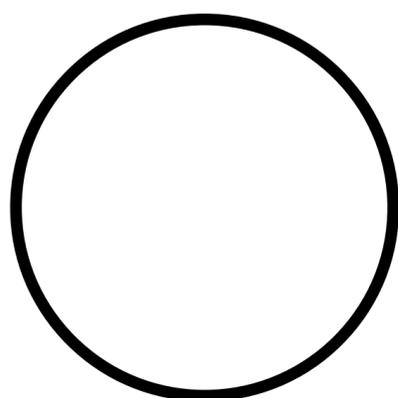

CHOISIS TON MATÉRIEL POUR CRÉER TES EMPREINTES. TU PEUX MÉLANGER LES COULEURS POUR DÉCOUVRIR TOUS LES MÉLANGES POSSIBLES.

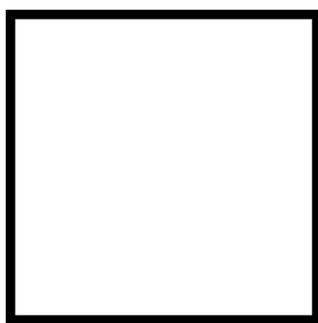

Maintenant que tu connais les couleurs, entraîne toi à reproduire les carrés, le ronds et les lignes horizontales avec les couleurs que tu souhaite

LE MEMORY DES COULEURS

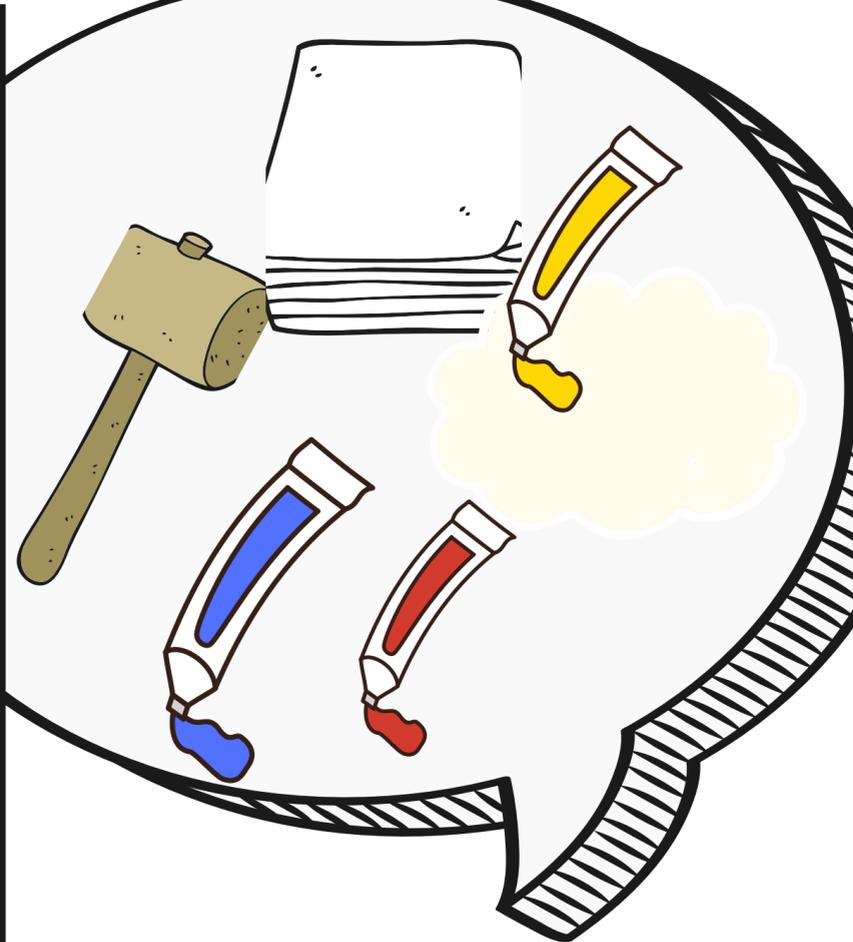

LE MEMORY DES COULEURS

**Sur une feuille AL,
fais plusieurs tâches
de peinture de la
couleur que tu
souhaite.**

**Ensuite mets un
morceaux de coton
dessus et tape
dessus doucement
avec le maillet.**

**Reproduis cela
jusqu' à ce la feuille
ne soit plus blanche .**

Range les jouets de la même couleur dans les boîtes correspondant à la couleur des jouets.
